

2025-26 Private Award Amounts
Scholarships for Children and Spouses of Deceased or Disabled Veterans (CSDDV)

CSDDV Calculation	= (Cost Per Credit/Clock Hour x Credit/Clock Hours Enrolled)
------------------------------	--

Semester Based Institutions		
Institution Type	Cost per Credit Hour	Cost per Clock Hour
4-Year	\$212	
2-Year	\$105	
Vocational/Technical	\$86	\$2.89

Quarter Based Institutions		
Institution Type	Cost per Credit Hour	Cost per Clock Hour
4-Year	\$141	
2-Year	\$70	
Vocational/Technical	\$57	\$1.93

Note:

- OSFA calculates the CSDDV award using a weighted average based upon officially published main campus tuition and registration fees at the comparable public sector. Values in red denote an update from the prior year.
- The values above represent the cost per credit/clock hour amount for students attending a **private** postsecondary institution.
- Students attending a **public** postsecondary institution should not use these values. Instead, students should contact the Financial Aid Office at the public postsecondary institution they are planning to attend.
